About Ukraine

Ukraine is one of the largest countries in Eastern Europe. Despite the millions that call it home, it's totally underrated by tourists. Often overlooked due to its troubles in the east, the rest of Ukraine is safe to travel through, and there's so much to see and do. Not to mention, it's incredibly cheap!

With a distinct culture and crammed full of captivating history, Ukraine is as far from touristy as you can get. Explore glorious cathedrals, Orthodox churches, ancient castles, lush forested hills, and Black Sea beaches. Here are best places to visit in Ukraine.

10 Best Places to Visit in Ukraine

1. Kyiv

The number one destination to visit in Ukraine is undoubtedly the capital, located in north-central Ukraine. Filled with striking Soviet architecture, monasteries, golden-domed churches, and handsome streets, this European city really packs a punch. Plus, it's still totally underrated, so you won't find many tourist traps here!

Modern Kyiv is all go-go-go. Head to one of the many city bars, people-watch at a sidewalk café or visit one of the museums to discover some of Eastern Europe's fascinating history. Visit the Museum of Folk Architecture and Ethnography, one of the largest open-air museums in Europe. The most popular attraction in Kyiv however is undoubtedly Kyiv Pechersk Lavra, one of the oldest and most important monasteries in Ukraine.

2. Lviv

Lviv is the largest city in western Ukraine and boasts a historic center that's well worth exploring. Established in 1240 and named after Leo, the oldest son of the King of Ruthenia, the capital changed hands several times between the Polish and the Russians before finally becoming independent in 1991.

Packed full of monuments, museums, and age-old buildings with archaeological findings dating back to the 5th century, Lviv has plenty for adventurers to uncover. Dubbed one of Ukraine's most popular cultural hubs, Lviv abounds with art galleries, including the Lviv National Art Gallery, home to over 50,000 works of art. There's no shortage of activities for a cultural day out, from opera and ballet performances to a charming café culture. You'll find all sorts of quirky bars and knaipas (local pubs) tucked down narrow side street.

3. Odessa

First held by the Greeks, then by the Ottomans, and finally the Russians, Odesa in southwestern Ukraine has an interesting history – all of which is told through its many excellent museums. Today, Odessa is a modern city with stunning Art Nouveau architecture, pretty people-watching cafes, and gorgeous beaches. Located on the north-western shore of the Black Sea, it's often nicknamed the 'Pearl of the Black Sea.'

Odessa boasts a thriving nightlife scene in Arcadia, with Ibiza-comparable night clubs, enviable shopping, and fantastic wineries. Put that all together, and you get the ultimate summer holiday destination – all without the throngs of international tourists.

4. Chernobyl

For those interested in history, Chernobyl promises a dark exploration. It's the site of the infamous nuclear disaster that led to the premature deaths of thousands of people in 1986. Recently revisited in an HBO documentary, the Chernobyl exclusion zone – which is currently an eerie ghost town in northern Kyiv Oblast – is set to become a major tourist attraction. Make sure you go as soon as possible!

Inside Chernobyl, you'll be able to witness the destruction for yourself – the demolished buildings and abandoned possessions of those who had to escape for their lives. Guided tours are available, offering the chance to learn about the tragedy first-hand. While filming is currently prohibited in the exclusion zone, the Ukrainian president has promised to lift the ban as part of a significant revamp of the area that will make it safer for tourists.

5. Kamianets-Podilskyi Fortress

Kamianets-Podilskyi in western Ukraine is most famous for the Kamianets-Podilskyi Fortress. In fact, it's one of the main reasons tourists visit this fairy-tale city. Towering over the Smotrych River, the fortress is truly magnificent – it's easily one of the most picturesque fortresses in Eastern Europe!

But there's more to the city than just the fortress. Explore the cobbled streets of the well-preserved medieval Old Town lined with its pretty pastel-colored houses and admire the excellent street art that tells the tale of the city.

Head for the skies with a one-of-a-kind hot air balloon ride – one of the city's highlights – waterfall-watch along the Smotrichsky Canyon, and take up archery on the Castle Bridge. Don't miss the incredible festival of hot air balloons in the spring!

6. Chernivtsi

Chernivtsi can be found at the foot of the Carpathian Mountains in western Ukraine. Lovingly dubbed “Little Vienna,” the city boasts similar architecture to the Austrian city, as it was once part of the Austro-Hungarian Empire.

But the city is not just a pretty face; it has significant historical and cultural importance too. According to archaeological discoveries, Chernivtsi dates back to the Neolithic era. A fortified city once stood on the north-eastern shoreline during the time of the Principality of Halych. It was known as the ‘Black City’ – presumably because of the dark color of the city walls – and was largely destroyed during the Mongol invasion. Some parts of the fortress remain today.

7. Bukovel

An idyllic wintertime destination, Bukovel is Ukraine's big skiing destination. In fact, it's the largest ski resort in Eastern Europe! Surrounded by three mountains, including the highest peaks of the Carpathians, the views from this luxury alpine ski resort are simply breathtaking.

High up on the slopes of western Ukraine, Bukovel promises bucket loads of fun for all ages. It caters to all skill levels with over 50 kilometers of groomed pistes and playgrounds. When you're not out testing the powder, hang out at the snow park and bicycle park or learn some new tricks at the ski school. The best time to plan a skiing holiday to Bukovel is from December to April, but January has the deepest snow.

8. Chernihiv

Chernihiv is one of the oldest cities in Ukraine. It was first mentioned back in 907 in the Rus'-Byzantine Treaty between Prince Oleh and Byzantium, but the actual date of establishment isn't known. In this treaty, Chernihiv was ranked the second most important Ukrainian center after Kyiv.

Located on the banks of the Desna River in northern Ukraine, Chernihiv is the administrative center of the Chernihiv Oblast province. It boasts beautiful medieval architecture – particularly Catherine's Church with its golden cupolas, and the 11th century five-domed Transfiguration Cathedral.

9. Rakhiv

While its self-christened title as the 'geographical center of Europe' may not be true, Rakhiv is certainly the highest city in Ukraine. Tucked within the lush Carpathian forests of western Ukraine, this mountain town is the perfect playground for nature lovers and hiking enthusiasts. Ideal for adventure lovers looking to explore the southern Carpathians, Rakhiv promises stunning scenery – including picturesque slopes and swinging footbridges leading across the rushing Tysa River. There isn't a whole lot going on here, but that's the appeal of Rakhiv. Head to the peaceful Dilove village for a quiet escape in the mountains, and swap the hive of the city for the serenity of the outdoors.

10. Uman

Situated in central Ukraine, this city on the banks of the Umanka River offers a relaxed layover between the popular cities of Odesa and Kyiv. First mentioned in 1616 when it was under Polish rule, Uman was built as a fortification against Tatar raids and has since undergone many stages of occupation. Most famous for the tragic 1700s Haidamak rebellions, today it serves as a popular pilgrimage site for Hasidic Jews.

Perfectly tourist-friendly, Uman's attractions are well signposted, and you'll have no problem finding your way around this laidback town. Visit the tomb of Rabbi Nachman Sofiyivka Park, see the obelisk in the town center, watch the Pearl of Love fountain show, or browse the daily market. For those interested in history, the Basilian Monastery (1764) is the oldest building in the city.
