Swedish International Exhibition of Photography 2023

Swedish International Exhibition of Photography 2023

The National Association of Swedish Photography proudly presents the Swedish International Exhibition of Photography 2023, which is one of the few in Sweden. The exhibition has obtained Recognition/Patronage from FIAP, GPU, ISF, ICS and NFFF.

More than 300 photographers from 46 countries have sent more than 2400 photos for assessment, which is an increase compared with 2022.

I would like to thank all of you who entered this exhibition. It has been a pleasure and a privilege to take part of your photos.

The selection panel has accepted 333 colour and 265 monochrome images for exhibition. Congratulations to those who were successful, and the rest of you I wish better success in our next exhibition.

In this PDF-catalogue you can take part of all the prize-winning photos.

Please enjoy!
